

## **Pagel's Ponderosa**

At Pagel's Ponderosa, we take care of our cows, and our cows take care of us! By caring for our animals with compassion and respect, we're rewarded with happier cows that produce higher-quality milk, which we turn into the finest cheeses. Our farm strives to ensure our 5,000+ cows receive the best comfort, healthcare and quality of life. The cows' six free-stall barns were designed for comfort. The herd is given 500,000 square feet of living space, and each cow has ample room to lay down in a soft bedding made from dried bio solids.
